Item number/s:

6400208

Cutting tool for circular cutting in artificial turf.

This tool is designed to make precise circular cuts in artificial turf. Its sharp, replaceable blade and adjustable radius allow for clean and consistent cuts of various sizes, making it ideal for creating openings for corner flags, penalty spots, or other obstacles on the turf surface. The tool is easy to use and provides a professional finish for any artificial turf installation or maintenance job.
