Important customer information: SMG price adjustment from 1st of July 2022

Dear customers,

with this newsletter we would like to inform you, that we are forced to adjust the prices to the generally increased costs.

This unpleasant development is probably also affecting your business. To the significant additional burdens in the overall cost development of our business have particularly contributed

- increased procurement costs (freight, raw materials, components, etc.)
- increased production costs (energy, wages, etc.)

Even the steady rationalization in our company could not compensate for this.

Therefore we are forced to adjust our prices from 1 July 2022. The average price increase will be approximately 10 %. If required, we will gladly submit you an up-to-date offer.

We thank you in advance for your understanding and hope for a continued good cooperation.

With best wishes from Vöhringen
