

passion for sports grounds

FROM ONE END OF THE WORLD TO THE OTHER.

There are around 13,000 km between our almost simultaneous exhibition appearances in December on two continents that couldn't be more different: SMG live at the Big5 in Dubai and the ASBA in Palm Desert.

The 2022 ASBA Technical Meeting will bring together members and guests from the sports design and construction industry from around the world in Palm Desert, California.

The Big5 in Dubai is considered the most influential event for the construction industry and of course we can't miss it.

We have summarized the most important information from both trade fairs here.
