SMG TRAVELS TO THE FAR NORTH: WE MEET SWEDEN AND FINLAND IN MARCH.

We would like to invite you to visit us at two trade fairs in Scandinavia. We are at the Träffpunkt Idrott in Gothenburg Sweden and only a week later at the Gymtec & Sportec in Tampere Finland.

Träffpunkt Idrott in Gothenburg is the Nordic region's leading meeting place for sports, bathing, facilities, outdoor living and public health. Over three days, the latest findings from research and science on the subject of sustainability will be presented. We make our contribution to sustainability with our machines for the environmentally friendly cleaning and care of sports fields.

The Gymtec & Sportec in Tampere is a trade and public fair on the topics of physical activity and well-being, making it one of the largest and most established trade fairs in the industry. In addition to wellness products and services, sports equipment and types of therapy, the trade fair offer also includes sports facilities such as ice rinks, swimming pools and sports fields.

We have summarized the most important information from both trade fairs for you here.
