

passion for sports grounds

IMPORTANT NOTICE

**BRUSH-UPGRADE:
TURFBOY TB1 & BELTSPREADER BS800**

Dear Distributors,

please note that the following machines

- TurfBoy TB1
- BeltSpreader BS800

have received a drag brush upgrade which will be implemented immediately. The drag brush will no longer be foldable, but rigid as the one who comes with the TurfBoy TB2.

Advantages of the rigid brush in comparison to the folding brush:

- No bouncing while driving
- Reduced risk of a collision on poles / edges
- Reduced production costs
- Reusability of equal parts (TurfBoy and BeltSpreader)

If you have any questions, you can contact us at any time.
