## SMG WM800 Demo Day in Czech Republic

### Dear Sir or Madam,

our demo day in Prague on August 4th, 2021 with our WashMatic WM800 was a complete success.

There was great interest and, in addition to the detailed presentation and demonstration, the participants themselves also had time to test our WM800 live.

The opinion was unanimous: the cleaning result was perfect and the demo day was more than successful. Of course, the event was held under the applicable safety regulations.

Many thanks again to Linhartsport Výstavba Sportovišť for the great organization and Profigrass for the support.

We will keep you up to date on future demo days with our world market leading machines.

We look forward to your participation and numerous technical discussions in the future as well.

### Your SMG team
