### NEW RELEASE: THE ART OF ARTIFICIAL TURF MAINTENANCE – STATE OF THE ART OF SPORTS SURFACE CLEANING BY SMG.

SMG has been developing, producing and selling machines for the construction of athletic tracks and elastic layers for almost half a century. From this knowledge and with the practical experience of the global customer base, the first machines for artificial turf maintenance were created 30 years ago. Today, SMG offers a unique range of machine series with over 30 cleaning and maintenance machines. And much more than that:

**Benefit from our know-how now and find out more about modern technology, highly efficient methods and new tactics in artificial turf maintenance in our new brochure.**
