SMG INNOVATIONS 2023

Dear Customers,

are you ready to change the sports construction industry? We at SMG definitely are ready!

Our 2023 mission is simple: With our machines, we are once again revolutionizing the way sports surfaces are installed, cleaned and recycled. That's why you're receiving our exclusive invitation to this year's FSB 2023 in Cologne today. There we will demonstrate to you our cutting-edge technologies, which will also take your day-to-day work to a new level.

With almost half a century of experience in this industry, we have worked with sports facilities and companies around the world, delivering outstanding results and pushing the boundaries of what is possible. Our commitment to innovation and quality is unmatched.
