

passion for sports grounds

**The new Rotating brush SC3 from SMG:
The all-rounder for the maintenance and cleaning of track and turf.**

The Rotating brush SC3 – this innovative attachment combines three brush systems and is therefore perfect for sports grounds, artificial turf and hockey pitches.

Advantages of the SC3:

- adjustable screen and wider suction channel for improved performance
- efficiently captures dirt without the need for an auger
- no area is left untouched: optional side brooms allow for thorough cleaning of edges and tight spaces
- versatile and powerful cleaning of sand/rubber filled systems, systems with organic infill, non-filled or wet systems as well as running and jogging tracks, walkways and parking areas.

For more information on the SC3, please contact our specialists directly or click here:
