**SALTEX**

30 - 31 OCTOBER 2024  
NEC BIRMINGHAM, BIRMINGHAM, B40 1NT

### WE WOULD LIKE TO INVITE YOU TO VISIT US AT THE SALTEX IN BIRMINGHAM.

The Saltex Exhibition in Birmingham is Europe's largest and free lawn care trade fair and is celebrating its 78th anniversary this year. The leading trade exhibition for lawn management is designed for all professionals, suppliers and manufacturers of green spaces of all kinds.

At the exhibition we bring our market leading solutions for decompacting and cleaning of artificial turf with us. The TurfBoy TB1 Eco for example, a cost-effective alternative to larger cleaning machines. But the TB1 Eco doesn't have to hide at all, because with its numerous features it has all the functions for modern maintenance of artificial turf pitches.

Of course, we also have our bestseller in an improved version with us: The TurfCare TCA1400. With our ground driven, tow-behind device for the cleaning and care of artificial turf, your facility will be in top condition all year round.
