

passion for sports grounds

Merry Christmas and a sporty start to the new year!

The year is slowly but surely coming to an end, the days are getting shorter and many sports facilities are starting their well-deserved winter break.

This year we would like to thank you – our valued customers, partners and friends – from the bottom of our hearts: For the great conversations and laughs on site around the world. For the small and large projects. For supporting us in our daily efforts to raise our 360° service to an unprecedented level. And finally, for your trust in our know-how and our market-leading machines.

We would like to take this opportunity to give you a little insight into the new year: We have big plans for 2025 too! Planning for our 50th company anniversary is already in full swing. Of course, new developments and innovations are also in the starting blocks.

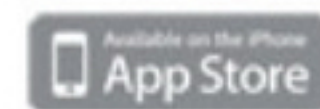

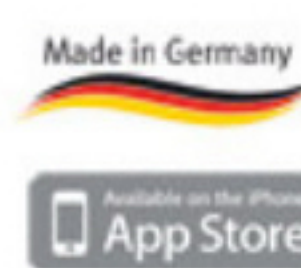

We are very much looking forward to representing the sports construction industry together with you again next year, so that we can optimize sports field quality a little more to perfection together.

Track & Turf can take a break during the Christmas season and we hope that you can enjoy the holidays with family and friends. We wish you and your loved ones a happy holiday and a healthy, successful start to the new year!

With best wishes,

Your SMG team
