

passion for sports grounds

Dear valued customers,

we are excited to expand our partner network in Lithuania with an experienced and highly competent company!

With a wide range of machines and equipment for property maintenance and facility management, our new partner is the perfect addition to SMG.

Founded in 2009, the company has continuously grown, expanding its portfolio each year with innovative solutions for various applications. In addition to machines for green space and property maintenance, it also offers specialized solutions for agriculture and horticulture.

The product range includes:

- Equipment for **property and surface maintenance**
- Machines for **cleaning and facility upkeep**
- **Work and attachment tools** for various applications
- Comprehensive **warranty and after-sales service**

With many years of experience, a strong focus on quality, and excellent customer service, our new partner is the perfect fit for our network.
