Strategic Partnership Between AIFareeq and SMG for Premium Service in the UAE

Dear valued customers,

we are pleased to announce an exciting new collaboration: AIFareeq and the German company SMG are joining forces! Together, we will enhance the distribution and after-sales service for cleaning machines designed for synthetic sports surfaces across the United Arab Emirates.

Why this partnership?

Since its establishment in 2015, AIFareeq has built a strong reputation as a trusted supplier of machinery, spare parts, and service solutions. With over 30 years of combined industry experience, we serve a diverse clientele in both the private and public sectors of the UAE. Our expertise ranges from agricultural equipment to professional sports surface maintenance.

SMG is a global leader in manufacturing specialized machines for cleaning and maintaining synthetic sports surfaces. By partnering with SMG, we are bringing world-class technology and expertise directly to our customers in the UAE.

What does this mean for our customers?

- **Expanded Distribution:** Access to high-quality SMG machines for maintaining synthetic sports surfaces.
- **Optimized Service:** Our trained team will provide fast and professional maintenance and repair services on-site.
- **Proven Expertise:** AIFareeq has already successfully completed complex repair projects on existing SMG machines, demonstrating our high level of service quality.

We are confident that this partnership will bring significant benefits to our customers, and we look forward to offering innovative solutions for sports surface maintenance in the UAE.
