

passion for sports grounds

New Partner in Estonia: UNIGRASS OÜ

We are pleased to announce our new official **SMG distribution partner in Estonia: UNIGRASS OÜ.**

Founded in 2003, Unigrass has successfully built over **250 sports and recreational facilities**, including tennis, padel, football, multisport, and golf fields. They bring extensive expertise to the planning, construction, and maintenance of sports surfaces and are the ideal partner for delivering high-quality sports environments.

Through this partnership, you now benefit from:

- **High-quality SMG machines for artificial turf cleaning and maintenance**
- **Expert on-site support and service from Unigrass**
- **Expert advice on the entire SMG maintenance product range**
- **A reliable Baltic network with years of project experience in sports facility development**

We are confident that this partnership marks an important step towards providing our customers in the region with the best possible support.

Interested?

Whether you are looking for advice, a demonstration, or a financing request – our team is always at your service.
